er and more practical side has won-the inevitable victory. The journalist, not the essayist, nor the theorist, is the demand of the reader to-day; and the paper in each section which approaches est to true journalism is the paperthat will find support. Nor can we really regret this change. Much as we may feel the absence of certain papers, which have been faithful co-workers with us in hard and trying days, we can with us in hard and trying days, we can still on the March. southern press will both be elevated by this needed decimation. Freed from small rivalries and unhampered by

march into a broader field and sow bet er and more varied seed. Four months ago the APPEAL was taken to task for attering precisely such nts as the above. John Forsyth has as much reputation as any southern editor dare claim, and yet, were he to die to-morrow, the Mobile Regisfor would still be published as a five, fresh newspaper, in perfect dance, and ball. If it comes off, and in the high political circles of Lewis and Bingham, who are now in the midst of Bingham, who are now in the midst of trenchant and above all excels its co-

as to influence the coming of that bet- Letter to the New Orleans Times.

newspaper adventurers will swear by stything secred and profane that all everything sacred and profane that all the supposed wild man lurking about flomest politicians have faded and gone. Alliens was captured and proved to be a and factive months, and just before the death-rattle is heard in their throats citizen of the same persuasion in Columthe death-rattle is heard in their throats citizen of the same persuasion in committee at they are found in assuring the world that bus, the other night, thinking she was they have succeeded far beyond their a thief.

They have succeeded far beyond their a thief.

To be deeply interested in the enterpasse of building a railroad through Marion county, Arkansas.—Yelloulus Gazetts.

Nashville Union and American. they have succeeded far beyond their most shapping expectations? But manifest shapping expectations? But manifest shapping expectations? But manifest shapping in an open field in Calhoun and Red river railroad, in charge of D. W. Lear, started on the survey of said road last Tuesday. This is one step in the important work, and let it be followed up by other and longer ones, until an early completion is placed beyond a doubt.—Camden Journal.

It is with painful regret that we have.

The Atlanta Heroid has received numerous letters lately, preferring charges of fraud against several officers on the while to hang down black clouds of mourning. The legitimate newspapers, at such a time, sympathize with the unserfers, and renew their efforts to pathias a paper worthy of the liberation are paper worthy of the liberation for more useful property.
